### Plato Credit Recovery Summer School 2011

NAME: \_\_\_\_\_

Plato Course: \_\_\_\_\_

Credit: \_\_\_\_\_ Cost: \_\_\_\_\_

Pepperell High School Summer School  
Monday-Friday, June 6-17  
8:00 a.m.- 12:00 p.m.  
Cost: \$100 per credit, \$50 per ½ credit

During summer school, you will be using the Plato online credit recovery program. This program is designed to re-teach the material you did not master while in the classroom. You will be allowed to complete a pre-test in each unit to determine if you have mastered the material. You will not be required to complete the modules of the content that you have already mastered.

You will be required to complete all of the content in the modules that you have not mastered. These modules include tutorials, applications, and mastery tests. You may attempt to pass each module's mastery test 3 times. If you have not passed the mastery test after the third attempt, your last test score will be added to the gradebook, and you will move onto the next section.

Since our school system is limited on the number of students who may use the Plato system at one time, you are required to sign a contract, which is your commitment to attend summer school. You are also required to pre-pay to reserve your spot. Please note that it is still possible to attend all the sessions and still not pass the class. Passing the course is dependent upon your work, just as in a traditional classroom. Refunds for summer school are not issued.

If you have any questions about summer school, please contact Alyson Lansdell, PHS Graduation Coach, (706)236-1844.

Please read the following carefully before signing. **You must return this signed form before May 13, 2010.**

1. Payment of \$100 per credit or \$50 per ½ credit is due upon registration.
2. All PLATO tests must be completed at school under teacher supervision at assigned locations and times. Tests taken in any other circumstances will result in a zero.
3. The student is responsible for attending all assigned sessions, 10 days, 4 hours per day. Monday-Friday, June 6-17, 8:00 a.m.- 12 p.m.
4. Note taking will be useful to you. A notebook for your Plato class is recommended.
5. The course and grade will appear on your student transcript.
6. The grade earned for your course will be factored into your student GPA.
7. Mastery Tests may not be attempted more than 3 times.
8. All school rules and regulations apply, and a student may be removed from the program for failure to follow them.

*I have read and understand this agreement and agree to abide by its terms.*
